Subject: FW: Weekly Gift Report February 9 through February 15, 2006

Good Day,

Attached please find the electronic versions of this week's report. The report is still in the design development phase and suggestions and comments are most welcome. This week for viewing consideration and to assist in selecting a preference, three formats are offered, a different one for each report to illustrate various suggestions to date.

Report for President format incorporates

- a. extra spacing between donors,
- b. shading between donors, and
- c. dark line of separation between disposition categories
- d. preferential sequencing within disposition categories

Report for First Lady format incorporates

- a. extra spacing between donors
- b. alpha listing of donors within disposition "First Lady pending decision"
- c. alpha listing of all remaining donors without regard for disposition

Report for First Family format incorporates

- a. shading between donors
- b. dark line of separation between disposition categories
- c. ranking by disposition
- d. within disposition,
 - i. ranking by key donors,
 - ii. then preferential gift categories, alpha by donor.

Thank you for your time and attention.
