Material at the George W. Bush Presidential Library Pertaining To Education

Introduction

This list includes the principal files at the George W. Bush Presidential Library that contain material relating to education that have been processed and are available for research. It is not definitive, however, and researchers should consult with the Library's archivists about other potentially useful files.

This guide identifies materials that have been opened for research through systematic processing or under a Freedom of Information Act (FOIA) request. Check the [George W. Bush Presidential Library website](http://www.georgewbushlibrary.smu.edu), as it is constantly updated with new [finding aids](#) and [digitized content](#). If records are available via the Digital Library, a link has been provided.

To keyword search digitized content from across the National Archives and Records Administration, visit the [National Archives Catalog](#). To see material exclusively from the George W. Bush Presidential Library, perform an [Advanced Search](#) selecting George W. Bush Presidential Library as the Location of Archival Materials.
