# Photographs of Vice President Dick Cheney Meeting with President George W. Bush

#### **Extent**

3.404 assets

#### Access

Collection is open to all researchers. Access to George W. Bush Presidential records is governed by the Presidential Records Act (PRA) (44 USC 22, as amended) and the Freedom of Information Act (FOIA) (5 USC 552, as amended) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

#### Copyright

Records in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

#### **Provenance**

Official records of George W. Bush's presidency are housed at the George W. Bush Presidential Library and are administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

#### **Processing by**

Staff Archivists, 2023. Previously restricted materials are added as they are released. Last Modified: 02/28/2023

#### **Scope and Content**

The materials in FOIA 2014-0116-F are a selective, not necessarily all inclusive, body of records responsive to the topic of the FOIA. Researchers should consult an archivist about related materials.

FOIA 2014-0116-F requested photographs of Vice President Dick Cheney meeting with President George W. Bush.

This FOIA primarily contains photographs of Vice President Dick Cheney and President George W. Bush alone at various events, meetings and briefings, as well as lunches in the Oval Office Dining Room from 2001 to 2009.

#### **System of Arrangement**

The materials in FOIA 2014-0116-F are a systematic body of records responsive to the topic of the FOIA. Researchers should consult an archivist about related materials.

Records responsive to this FOIA were found in these collection areas – George W. Bush Presidential Electronic Records.

The Executive Office of the President (EOP) instance of the Electronic Records Archive (ERA) contains electronic records created or received by President George W. Bush. These records are stored in Search and Access Sets (SAS) that represent their originating computer program.

The following is a list of electronic search results lists (SRLs) processed in response to FOIA 2014-0116-F:
