Access
Collection is open to all researchers. Access to George W. Bush Presidential records is governed by the Presidential Records Act (PRA) (44 USC 22, as amended) and the Freedom of Information Act (FOIA) (5 USC 552, as amended) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

Copyright
Records in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

Provenance
Official records of George W. Bush's presidency are housed at the George W. Bush Presidential Library and are administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

Processing by
Staff Archivists, 2026. Previously restricted materials are added as they are released. Last Modified: 09/23/2026

Scope and Content
The materials in FOIA 2025-0159-F are a selective, not necessarily all inclusive, body of records responsive to the topic of the FOIA. Researchers should consult an archivist about related materials.

FOIA 2025-0159-F requested materials related to photographs of the requester with President George W. Bush from February 2001 to July 2004.

This FOIA primarily contains photographs of the G7 and G8 Summits, APEC meetings, and staff portraits. The photographs also include Vice President Dick Cheney, National Security Advisor Condoleezza Rice, Deputy Chief of Staff for Policy Joshua Bolten, and Secretary James A. Baker III.

System of Arrangement
The materials in FOIA 2025-0159-F are a systematic body of records responsive to the topic of the FOIA. Researchers should consult an archivist about related materials.

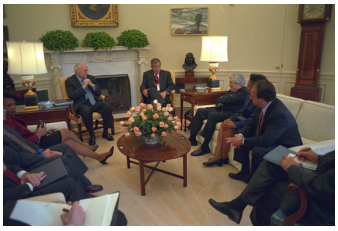

Records responsive to this FOIA were found in these collection areas – George W. Bush Presidential Electronic Records.

The Executive Office of the President (EOP) instance of the Electronic Records Archive (ERA) contains electronic records created or received by President George W. Bush. These records are stored in Search and Access Sets (SAS) that represent their originating computer program.

The following is a list of electronic search results lists (SRLs) processed in response to FOIA 2025-0159-F:

George W. Bush Electronic Records
2025-0159-F_photos contains 1,563 assets, of which 1,525 are released in full, 0 are withheld in part, and 38 are withheld in full.
