Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

Processing by

Staff Archivists, 2026. Previously restricted materials are added as they are released. Last Modified: 07/23/2026

Scope and Content

The materials in FOIA 2017-0345-F[1] are a selective, not necessarily all inclusive, body of records responsive to the topic of the FOIA. Researchers should consult an archivist about related materials.

FOIA 2017-0345-F[1] requested materials related to Brett M. Kavanaugh.

This first segment of this FOIA primarily contains memorandums, forms, resumes, biographies, draft letters and draft statements, correspondence, published articles, printed emails, routing memos, schedule proposals, briefing material, court filings, invitations, gift reports, and FedEx tracking slips. Forms predominately relate to personnel decisions and tracking. Correspondence predominantly includes incoming mail routed to or addressed to Kavanaugh regarding President George W. Bush, copies of correspondence between the White House and various agencies, and routine responses from Kavanaugh. Included are several participation requests of the President and/or the First Lady in charitable activities or positions of honorable patronage, Social

Security's Future Report on strengthening Social Security, condolence letters for Spot's death (dog), condolence letters for the passing of former President Ronald Reagan, First Family gift reports listing gifts that were processed, weekly unemployment insurance claims, the President's Emergency Plan for Aids Relief Report on current activities underway to expand treatment for HIV/Aids, tax policy recommendations, and cabinet reports.

This segment contains records from the Chron Files, Chron Files Received in the Office of Records Management (ORM), Insurance Copies, Personnel Meeting Files, and Robo Letter Binders series. The Speech Files series will be processed in a future segment.

System of Arrangement

The materials in FOIA 2017-0345-F[1] are a systematic body of records responsive to the topic of the FOIA. Researchers should consult an archivist about related materials.

Records responsive to this FOIA were found in these collection areas – Staff Member Office Files.

Staff Member Office Files are maintained at the folder level by staff members within their individual offices and document all levels of administration activity.

Staff Member Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

The following is a list of folders processed in response to FOIA 2017-0345-F[1]:

Researchers should note that some folders in Box 22 of the Chron Files Received in the Office of Records Management (ORM) series were previously opened under other Freedom of Information Act (FOIA) requests. These folders are not physically arranged with the materials processed systematically here and can be found in the FOIAs noted to the right of those folder titles below.
