Subject: White House Assembly on Reading - Event Scenario

Charity,

Attached please find the event scenario for The White House Assembly on
Reading. Please forward to anyone I missed above.

Please note that Dr. Billington (The Librarian of Congress) will greet THE
PRESIDENT & Mrs. Bush upon arrival. After he escorts them backstage he
will
go out into the audience and take a seat. He is not participating in the

panel discussion.

Also, any staff wishing to see THE PRESIDENT and Mrs. Bush's remarks need to go to the assigned seating reserved for them. They will not be able to see the event from backstage. I will try to get a video feed into the hold room, but for now we should go on the assumption that we will not have it. So please insert a STAFF INSTRUCTION for arrival to proceed to the staff seating in the auditorium - we will of course escort them there.

Thanks,

John
