Would you be able to do the half summer option per my voice mail?

Brett,

Thanks for your email--would a phone conversation this Wednesday, Thursday after 11 am, or Friday be convenient? (I've appended my original email below for your reference; I contacted you in December about possible summer opportunities.)

I assume I can reach you through the White House switchboard; if that's not the case, please send me your direct line.

Cordially,

Pam Carter

Dear Brett,

As you may remember, Damara Griffith introduced us briefly after you spoke at Yale Law on judicial selection a few weeks ago. I am still very interested in applying for a summer job in the White House Counsel's office, and would be delighted to talk to you about the

possibility.

Per Damara's suggestion, I am also contacting Allison Riepenhoff about the logistics of the application process.

My professional experience has been in management consulting (I've attached a resume, in case you are interested), but I was a public policy major at Princeton and am looking forward to getting back involved in politics.

Please let me know if you think any additional information would help; if you want to get in touch with me directly, my cell phone is [P6/b6]

[redacted]

Take care,
Pam Carter
