Harriet: Is there a chance the Consuelo Callahan commission will be signed before 12:30 Eastern time today? I ask because she would like to take the oath today, per her email below to me. If not, no worries at all, but just wanted to check. Thanks.

Subject:

Brett,

I have a question about the signing of the commission. I was told that once the commission is signed by the President I can take the oath--that I do not have to have the commission in hand.

Tomorrow I am having an office going-away party (9:30 a.m.-10:30 a.m.).

If my commission has been signed, I want my PJ to give me the oath at my party. I will have a formal investiture later. I have not gotten any word yet that the commission has been signed. If you hear anything, can you let me know so I can go ahead with the oath. My parents are coming to my party and I would really like to have them present for the oath.

My home number is

Thanks.

SCARBOROUGH: "The Buzz in SCARBOROUGH COUNTRY." • fJ ...yQ |

• fJ ...yâ |

In a move that will thrill poker players everywhere, there's another deck of cards playing off the Pentagon's most-wanted list, proving that liberals are truly behind the curb these days. A left-leaning Web site has published a deck of Bush regime playing cards. The 52 cards will feature such Republicans for eviscerating democracy and strangling civil rights, ah, all the subtlety of a set of brass knuckles. Bush and his Cabinet are all on the deck. So are notables like ...y!! |

Hey, good evening and welcome to SCARBOROUGH COUNTRY. I'm Joe Scarborough. • ɾ fʲ ...y◻ |

• ɾ fʲ ...yo |

Now, I hope you had a great Memorial Day weekend. And, for too long, I've always looked at Memorial Day as little more than the start of summer. But that's all changed, I know for me. And I know it also has for most Americans. But you know what? Remembering our fallen at Lexington, Gettysburg, Normandy and Baghdad isn't enough. This year, we owe them more. • ɾ fʲ ...y◻ |

• ɾ fʲ ...y* |

And that's tonight's "Real Deal." • ɾ fʲ ...y◻ |

• ɾ fʲ ...y◻ |

• ɾ fʲ ...y◻ |

• ɾ fʲ ...yă |

Now, most of us live such comfortable lives, it's impossible to even begin to imagine the sacrifice our men and women in uniform make, especially when it's their very lives they leave behind on the battlefield. We can watch classic movies like "Patton" or "Band of Brothers," we can read "Flags of Our Fathers" and get a small glimpse. But a movie has not been made and a book has not been written that can bring the horror of war into mall theaters or into our living rooms. • ɾ fʲ ...y◻ |

• ɾ fʲ ...yɾ |

But we can give our fallen heroes a moment of silence or a prayer in remembrance on days like today. And you know what? We can do something else. We can finish the job in Iraq and Afghanistan. And, no, I'm not just talking about shooting looters or beating back Shiites. I'm talking about delivering on the promise of a strong and stable democratic Iraq and a prosperous and free Afghanistan, where the oppressed people of that region will actually experience the liberties that we've taken for granted.

• ɾ fʲ ...y◻ |

• ɾ fʲ ...yœ |

You know what? Our soldiers didn't die for oil. And they didn't leave their families behind for empire. And they didn't give their all to find the few weapons of mass destruction that Saddam Hussein's regime failed to destroy before our tanks rolled into Baghdad. No, our fallen heroes died to make this world safer for their children, for their families, and for their fellow Americans. • ɾ fʲ ...y◻ |

• ɾ fʲ ...y÷ |

And you know what? We're only going to be secure when countries like Iraq and Afghanistan expe
