Scope and Content

The materials in FOIA 2025-0058-F are a selective, not necessarily all inclusive, body of records responsive to the topic of the FOIA. Researchers should consult an archivist about related materials.

FOIA 2025-0058-F requested materials related to meetings held between February 10, 2004 and February 12, 2004 between US, UK and Ukrainian officials, including John A. Shaw and Ihor Smeshko.

This FOIA primarily contains news summaries from *The Daily Update* and Vice Presidential News Clips.

System of Arrangement

The materials in FOIA 2025-0058-F are a systematic body of records responsive to the topic of the FOIA. Researchers should consult an archivist about related materials.

Records responsive to this FOIA were found in these collection areas – George W. Bush Presidential Electronic Records.

The Executive Office of the President (EOP) instance of the Electronic Records Archive (ERA) contains electronic records created or received by President George W. Bush. These records are stored in Search and Access Sets (SAS) that represent their originating computer program, such as Exchange Email or the Worker and Visitor Entry System (WAVES). In addition to records captured from the White House's electronic systems, EOP-ERA also contains records from the home and shared drives used by White House staff.

The following is a list of electronic search results lists (SRLs) processed in response to FOIA 2025-0058-F:
