Scope and Content

The materials in 2026-0134-P are a selective, not necessarily all inclusive, body of records responsive to the topic of the request. Researchers should consult an archivist about related materials.

Request 2026-0134-P consists of email assets regarding 9/11 pool reports and press releases.

This request primarily contains pool reports sent in by reporters and distributed by the White House on September 11, 2001 as well as press briefings by Ari Fleischer to the pool.

System of Arrangement

The materials in 2026-0134-P are a systematic body of records responsive to the topic of the request. Researchers should consult an archivist about related materials.

Records responsive to this request were found in these collection areas – George W. Bush Presidential Electronic Records.

The Executive Office of the President (EOP) instance of the Electronic Records Archive (ERA) contains electronic records created or received by President George W. Bush. These records are stored in Search and Access Sets (SAS) that represent their originating computer program, such as Exchange Email or the Worker and Visitor Entry System (WAVES). In addition to records captured from the White House's electronic systems, EOP-ERA also contains records from the home and shared drives used by White House staff.
